## Newsletter n°36

November 2018

Dear friends,

President of the association France India Karnataka for 10 years, I never stopped developing and modernizing it. In 2018, I can be quite proud of what we have accomplished with my team. A united team, active and devoted to FIK. Nevertheless today we are walking a tightrope!

That is why I come back to you because we need a little boost to reinvigorate the association. It would only take a minute. One minute of your time but you would have the satisfaction to act well.

We started an Ulule campaign to subsidize next pediatric camps ([www.ulule.com/france-inde-karnataka/](http://www.ulule.com/france-inde-karnataka/)). We need your help to increase the kitty.

Other solution, 20 euros MEMBERSHIP to support our actions and help Karnataka's children to fight against the infant mortality (according to the report 2017 of the World Bank, 24 % of the children who die in the world before the age of 1 the years are in India). Membership aims to strengthening our projects. Without your donations, FIK will be forced to retreat from commitments it has already made at the end of the year on 2018. We noticed that all the associations work with memberships. This membership is today essential for the benefit of our association!

All my actions in India I made it with my heart. Thanks to my Indian nationality, I legally established one year ago, a new Indian Trust: France India Karnataka Shri Mahesh Ghatradyal Heritage, in adequacy with our values. Thanks to it, FIK is right to send funds in India to finance its projects. As well to find international donors and to perpetuate its actions with full transparency. So it is possible to us to have Indian donors and to call local foundations and companies.

So each of us can play a part in this and pursue our commitment. Shri Mahesh, my father knew how to federate you. His hospital was his tribute for the Karnataka. On his Ashram in Paris he taught you Yoga during 50 years. Generously and with humanity.

Today it belongs to us to transmit what he gave us. As my father 25 years ago, it is me who ask you for help today: " *love is my law, the truth is my fight* " – Shri Mahesh.

Together we are stronger. Namasté

Juliette Sushila Ghatradyal, Présidente de FIK
